

## JESSE B. MALLOW, of Ross County

Mr. Jesse B. Mallow, of Ross county, is a candidate for the Republican nomination for State Senator of the Fifth Sixth Senatorial District at the ensuing primary election, August 11, 1914.

This district is composed of the counties of Ross, Highland, Clinton, Fayette and Green.

For a quarter of a century the Republicans of this Senatorial district have maintained a rule of rotation by giving to each county in its turn the nominee for State Senator. Ross county has always been loyal to this rule and IT IS NOW Ross county's nomination by the rule—and there is no more reason for breaking the rule now than in the past.

Ross county presents for this nomination one of her best qualified citizens, in the person of Jesse B. Mallow, of Frankfort, who by education and experience, understands the needs and possibilities of the agricultural and commercial interests of this district, for he is a success in business life and a successful farmer.
